Cleve - I'm going to lunch - I still have more to fill in. I have some complete.

Make changes to those I have completed and send back (rename file with extension CHv1 or something like that) . . . And then I'll pick back up from there after lunch.

Thanks.

LET'S USE THIS EMAIL - as part of our email thread for "work in progress" - leading up to our mtg this afternoon.

I will send thoughts, info, etc. HOWEVER - do NOT worry about reading it through. Consider this the “repository” of stuff each of us is looking at that we can LATER discuss.

THIS WAY - We'll have an email thread with all the info in ONE EMAIL THREAD rather than

multiple emails.
